“ Dear Elizabeth; You always sent me gifts, and done so much for people with your generosity! I don't feel that you felt appreciated. I know that your light is always shining down from Heaven! See me now! Feel me now! I'll forever be thinking of you! You always called Jim when you sent your Love to me through him, cause you were shy. I send all of my Love to you in Heaven right here from the Earth! Until we meet again! My Love is radiating! Shine Bright like a Heavenly light of Love! Sincerely, Lindamarie Faliero
