“ I met Bobbie at Luther's Mills School. We graduated Class of 57 Troy High School. My lasting memory is that whenever I called her Irene she would punch me in my shoulder. She once showed up at a class reunion in a wheelchair. She called me over and as I bent down she landed a solid right to my shoulder" I heard you called me Irene at the last reunion committee meeting" was her answer. She was one of a kind!

My deepest sympathies to her family---Lew McCall
