“ I met Ellen when she first moved into Towanda Terrace. She invited a few of us into her apartment to meet all her Bears ! Oh my, what a collection Ellen had there. She shared a few stories about her Bears and where they came from, and who gave them to her. It was a very special visit. We would always chat when we met in the hall or catching a ride in the elevator. I will remember "The Bear Lady" and I will feel close to her when I am wrapped up in the Panda Bear throw she gave me . Roger and I will miss you. Sending prayers to Ellen's Family.

“ I just met Ellen when she moved here at 410 Main St. She was a sweet wonderful lady. She was always willing to share a moment whenever we met in the hallway or community room here at the Terrace. My prayers and thoughts go out to Ellen's family and friends. I did not know her very well, but the "bear lady" will certainly be remembered. Especially when I look at the bear throw she gave me as we shared our love of bears.
