“ Thoughts and prayers are with the family in your loss. Am so sorry. Ester was my neighbor for years near Blacks Pond for years. I knew her when I was in school too and she always welcomed me into their home . My deepest sympathy.

“ Lots good times with our yearly visits and sometimes they were after Christmas shopping visits . It was so much fun scoring the after Christmas sales and having lunch with family we don't see often . Her and I use to have a little competition to see who would get their Christmas cards out first when I sent them . We share a birthday and I will be sure to light a candle for her each year on our birthday going forward. Much love to the family and sorry for your loss .
