“ *Dearest Pat and family, I remember your Mom at the YMCA in Towanda when my late husband John and I first met her in Yoga class. She was a person that had so many physical difficulties but always was joking and laughing at life...I can still hear her laugh with the Jersey accent.. She was upfront with her feelings and I respected her for that. I had last seen her about a month ago in Tops and she was as bright as always. I will miss her smile, her persistence thru Life's difficulties, and our little get togethers and discussions at the Community Cup. My deepest sympathies are extended to you all.
