“ She met my son, disabled, walking down the street one day about 30 years ago. He asked Florence to his prom and then again to his Senior prom.

She spent many days over visiting our whole family. She loved all of us and we loved her very much. She was a part of our family. We went to Great Adventure and had a great time. She was over our house for birthdays, Christmas, all the holidays..She always would wear her baseball hats..Phillies and of course the Eagle shirts. She was always pleasant and liked a good joke. I never knew her mom but friended her dad who was quite a wonderful man. She'd always talk about her brother Bud. Of course , she loved her dog. Ron Jr. also like to spend time with Florence and Mr. Henderson at their home. Ron still asks if he can go to see Florence. I haven't told him yet of her passing. Their are special people that God lets us meet in our lives, few and far between, but I just Thank God for allowing Florence to be a part of whole families lives. We were blessed to have know her.

“ Florence Mary loved music! I always believed that besides the Phillies and Eagles she was most passionate about music. When she was in her early 20's I took her to a Temple University football game at Vet stadium in Philadelphia primarily so she could see the Monkees perform after the game. It is one of the MANY fond memories I treasure of my special cousin!
