“ So sorry to learn of your loss of Frank. I have nothing but good memories of you and Frank and the friendship we shared. Such good and loyal friends always. Want you to know that the reason I had to leave Morris was because he wanted to pretend that Thad hadn't died - and so horribly, unthinkably, violently. I just couldn't pretend... Know that I am thinking of you and sending love and best wishes to you and the kids.

“ Louise,
I am sorry to hear about Frank. I have many fond memories of coming down to visit the 2 of you in Standing Stone with my parents, LaVerne and Barbara Williams. They both passed away about 5 years ago. I don't know if you knew, but Mom had a delicious chocolate cake recipe that we always referred to as Louise's Chocolate Cake. I hope you are doing ok. Frank was a really special person as I remember.
Take care and God Bless you.

“ Louise,
I was sorry to read about Frank's passing. Since moving out of the area, I only saw him at The Towanda Golf Invitational and that was several years ago. I always enjoyed seeing him.
You and your Family are in my thoughts and heart at this sad time.

“ I always enjoyed talking with Frank and about our mutual health issues, filling me in on his Cleveland trips at the monthly Sylvania luncheons. Very nice man that was a great co-worker. I know he'll be missed in a big way, and may God bless him.

“ Louise and family, sincere condolences on the passing of Frank. Worked with Frank for many years and always considered him to be a great person and enjoyed many talks both at work and play. Enjoyed competing with Frank in softball and golf as he was always a tough competitor. He will be missed and he and you will be in our prayers.

“ Frank was a wonderful person. I knew his mother, Marguerite, before I knew Frank, as she was my Aunt Ruth's best friend. Frank knew I wanted to see Standing Stone very badly, so one day he picked me up from book club and drove me to Rummerfield. We parked in a field and hiked to the river where he launched his boat. He rowed us to the rock, and I was so disappointed! Only a little of Standing Stone showed, most of it was below the water line! Nevertheless it was a lovely afternoon, and I never forgot his kindness.
