“ *This is very sad news. I knew George since my little league days. We played high school sports at Northeast Bradford together. After high school, we continued playing basketball, softball, and outdoor volleyball together. George got better the older he became. He was a good friend. I always enjoyed running into him. You will be missed George. Rest In Peace my friend. I send my love to his family.*

“ *To the Murray family I'm so very sorry to hear of George's passing. A bunch of times we bowled, played softball and basketball together. I especially remember him in basketball and I swear 95% of his shots from the baseline would go in, it was amazing. R.I.P. George.*

“ *I knew George many years ago when he played basketball in the Towanda City League in the 1970's. A fiery competitor with a great will to win. The last time I saw him was a couple years ago at Starlight Bowling Lanes. Another game he loved. RIP George. Genuine you were. Prayers going out to your family and friends.*

“ *I remember when Aunt Bernie, Uncle George, Bobby, and Peter used to come to stay at the farm on weekends. We had a lot of fun in the fields exploring, riding sleds down the hills and then being towed back up to the top by the tractor to start all over again. They, then, bought a home on Comstock Road in Rome Township. We spent many hours exploring the fields and the creek behind the house. It was fun for all while the house was being remodeled. Bobby (as I called him) was fun and easy going. He will be missed. Gayle Robinson Cooley*
