“ Yes, truly a great person to be able to be around. I left Towanda area 15 yrs ago and would still get regular calls from Rocky. I will add that Towanda is a solid area with many great people.

“ Dear Cam, I am so sorry for your loss. Rocky and I have known each other for 40 years and have worked closely for half that time. I fondly remember his spirit that nothing is impossible if you put your mind to it. And I enjoyed the many evenings when we were trading war stories and downing Wild Turkey. I shall miss him. Rest in peace, my good friend. Chi

“ Cam, so sorry to hear about Rocky's passing. He introduced me to you years ago when I worked in R&D with him at Dupont. Rocky was full of laughter and didn't mind at all to share that laugh. He invited me and my family to your house for a picnic. But Rocky was like that. He loved to be around people and he loved to tell stories. I'm not sure which one he liked most. But I do know he loved his family.
One time , I was doing a construction job at my house and was looking for some brackets to work from . Rocky said he had several sets in to go pick up in Herrickville at Sans place. Rocky was very generous and would give the shirt off his back. I know Rocky talked a lot about going to Saint Martin and sailing catamarans. Keep sailing RockyKeep Sailing!!!!
