“ I first met Kent in gary watson's art class. I admired his artistic abilities, and through his studies of the master painters I gained a greater appreciation for thier techniques. I enjoyed our conversations and his quick humour. I,m sorry I didn,t have more time to know him better. If we only knew would we keep putting off tomarrow what we should do today. I will miss you Kent. See you again when I get to heaven. Mike Spencer.
