“ I remember Hannah and her sisters sitting in front of Bill's during a pig roast. They were singing. The beauty of their voices harmonizing was amazing. My deepest sympathy to the family.

“ Reading Aunt Hannah's lovely obituary took me back to my childhood days and wonderful memories of family reunions and time spent in Ulster. Reading the names of people that my mother spoke of often, but long since forgotten since her passing, brought back fond memories. Peace be with you all. Lorraine Parks
