“ Lee, I am so sorry to hear of your loss. My prayer is that you and the family can find comfort in knowing that she was a believer in Jesus Christ and that you will see her again one day. Lean on Him in this time of mourning, for He will never leave you nor forsake you.

“ Dear Lee and family,
Our hearts are hurting as are yours. I've never known anyone with more determination. We will remember her pretty smile and the fact that she would always call me "Mr. Hoffmann" and never "Frank". When I would ask her to call me by my first name she would say, "No. You are always Mr. Hoffmann", and I would smile." She was a blessing.
Unfortunately, we are traveling to see our daughter and family in Virginia this weekend and will not be attending Heidi's service. My daughter is having surgery this week, and we need to visit with her. However, you will be in our hearts. Take care of each other. Love you all. Frank & Sue Hoffmann

“ I was so sad to read of Heidi's passing. I remember her well as a third grade student in my classroom. Her family was so loving and supported her so much. I hope your memories keep her in your hearts forever. Blessed are they who mourn for they shall be comforted.

“ Heidi was always there for me no matter what. I have so many memories that have flooded my mind. We drifted apart as we do in life, but I know if I called her, she would have been there in a heartbeat. 46 of my 48 years on this earth I have known her and loved her. I always felt I was part of the Evans family. I practically lived there most of my teenage years. Heidi Jean, you will always be in my heart ❤️ My love to all of the Evan's family!

“ I’m so sorry to hear of Heidi passing. I will always have fond memories of Heidi from High School in Towanda. I was two years you get than Heidi, but we connected through sports. She probably didn’t know it, but I looked up to her very much. On one occasion I was having an issue with a bully and confided to Heidi. Within a day, she took care of the situation. I’m sorry I lost touch with her when we moved away from Towanda, because I’m Betting she was just as loving and kind as an adult. I’m sorry for the loss the family will feel and am sending love and support.
