“ I love this picture of Helen. It is exactly as I remember her. I have so many memories. She was a very unique person. From her I learned to speak my mind, but in a nice manner. She loved her family and took great pride in her home. She is now at peace and once again with the love of her life, Harold. I have a Living Bible that I received from the Wysox Church when I graduated and Helen signed it. I will forever cherish it and all my memories of her. Hugs and prayers to Elaine and Karen.... Lora
