“ *My mom, Rose Stroud Andrewlavage, and I wanted to send our sincere regrets for not being able to attend Hettie's service. She was a best friend to my mom when they were in high school and mom always looked up to her! Plus she was a person I treasure in my memory growing up. My visits to her home when I was staying with Joy was always fun and she always treated me with kindness. She will indeed be missed.... but our memories of her will be ones that make both our hearts happy always!*
