“ Hi Marie,  
*I will always remember spending time in your Dad's backyard with Howard and watching the fish in the pond. He always had a story for each one. He was truly a gentle soul and blessed by a long life. I love you Marie and am so sorry for your loss. I am sorry we all lost touch but God willing in the next life we will all have eternity to catch up. You taught me to tie my shoes when no one else could. I feel blessed that I grew up with you, Howard and your family. God Bless You and I'll see you on the other side.*

Love,  
Joanie (welch)

“ Aunt Marie and John,  
*So very sorry about Howard's passing. He did lead a long life and at the end just tired out. Luckily his downward spiral was short, but seemingly comfortable as the staff at Skilled Nursing did a fine job caring for him and his comfort. May his soul rest in peace and may fond and comical memories of his antics bring smiles to our faces at gatherings in the future.*

*Much love to you and our family,*

*Donna and Tom*

“ Dear Marie & Family,  
I was so sorry to hear of the passing of our Howard. I will always have fond memories of my "Pussycat" while I was working at the PCH. He always loved to be teased and we had such great laughs together. Thoughts and prayers are with you all.

“ My family was neighbors with Mr. Place and his son Howard on Pitney street for many years. Howard was kind and always shared his blackjack gum with the kids in the neighborhood. They treated us like family more than neighbors and we often rode along up to Gerald's farm when Howard had moved in there. I'm so happy he had a long life and my condolences to the family. Terry Talada and my siblings Cindy, Billy and Tammy
