I will forever see this boy in my mind whenever I think of Mudd puddles and bicycles! I don't see how anyone could see this kid as a threat forever in our hearts!

“ Angel, Rodney and family...I can't express enough how saddened and sorry we are to know that Hunter was taken from you all and this world...so senselessly, so premature and so unfairly. We are praying for justice for Hunter...We are praying for you all and the family for peace and comfort after Hunter was taken by a careless Trooper. No parents should have to endure such a devastating heartache.
