“ *My sincere condolences to the family. When I was a kid, Jimmy and I used to spend a lot of time together, mostly at his house, since there was more to do there. Later, as teenagers, both of us would hang out at Jeff Vanderpool's house, sort of like they do in 'That '70's Show.'* Since I heard of his passing, I've been thinking a lot about those times. I will treasure them always. I lost touch with him over the years, but it looks like he's had a great life. Rest in peace, my friend.
