“ My sympathies on the loss of Jim. I didn't know him well, but had sightings of him when we were growing up on Desmond Street... that handsome, older Scanlin boy... I had a chance to see him a few times in recent years and know that he made a positive impact on many. Sincerely, Alice Fedorka Bennett.

“ Jimmy was a good friend of my dad and spent many hours with him during his last days, 2 years ago. It brightened dad's day every time Jimmy walked in the door. Their meetings were usually loud and full of laughter and no doubt they are carrying on the tradition as this is being written. Peggy Foy Hanrahan

“ I am so saddened to hear of Jim’s passing. He was a regular library user at the Steele Library in Elmira and the Horseheads Library. I was a librarian at both. Jim came in often and we engaged in many a conversation about all sorts of things, including our mutual knowledge of State College, Altoona (where I grew up) and Penn State football. I loved all our chats. He was a friendly guy and a true gentleman. I saw him recently at the Arnot Mall, was the first time I had seen him since I retired. I’m grateful I was able to see him once again before his passing. I hold him and his family in my thoughts and prays. As I think of my library career, he will always be a fond memory.
