“ I had the pleasure of getting to know Jim first hand at Superior Paint with he and Harvey. Jim was always a great conversationalist, talking about politics and his dislike of it, health and daily issues. My favorite memory is when we worked together at Superior Paint and watching Jim and Harvey trying to match a paint exactly. Hours of blow drying paint chips and agreeing to disagree..but they were like magicians..and the match was perfect...just like the match made with friendship between us three. Jim you will always be remembered with your faithful canine companions with a smile. Love you Mary Smith

“ I am forever grateful to you Jim. It is because of you that I met my wife Pam in 1980, and you were instrumental in helping me with my new start-up business also in 1980 that lasted almost 30 years. When I closed 2009, we lost touch, and I miss your visits. You will be forever missed my Friend. RIP. ...Bud Emerson
