“ Dear Alicia,
You and your family are in my heart and mind. My condolences on the passing of your dear mom Jane. It was far too long since I saw your mom last, but I will never forget her love of cool cars! I will always remember the 1979 Honda Prelude that I bought from her when I was 18. The car was immaculate with a sun roof (WOOOO) and one of the coolest cars I ever had. You and I had great times in that car. Your mom will always have a special place in my heart.
Love, Debbie
