“ *I have so Many beautiful memories of Janet. In the Beginning when i first started spending time with Janet we would talk and she would always thank me for bringing her good food at meal time. She would always say make sure you have some too. So we had Many great times and conversations. We loved to watch the humming birds every time i was there. As time went on times were harder for Janet but i always made the day feel happy for Janet and always felt like i made a difference.janine and Perry are Amazing people and Janet was so loved and taken care of very well. My condolences to all of the family prayers to all of you. May God bless you all.*
