“ I am completely lost for words. She was such a giving, caring, and loving woman. She was not only devoted to her family, but her friends as well. I remember when the twins were babies, driving Chris and me insane and keeping us up all night; Janet offered to babysit them for us, so we were able to get some rest and have a nice dinner out. My deepest and heartfelt memory was when she instantly offered to stay with Mimi during the day while Chris and I worked. Janet had a genuine soul. One that I deeply loved. She was not only our friend, but family. Her memories will always live on forever. I am sure her and Mimi and doing some crazy things right now....the stories I heard from their younger years...Oh, boy! :)

Our prayers and thoughts to the entire family.

*Love ya all,
Chris, Michele, Collin, Karissa, and Kelsie*
