“ *We are remembering a couple of visits with Janice when we came to search Decker roots in New Albany. On our first visit she helped us locate cemeteries where we could find the graves of Deckers and Hakes. In November we were lucky enough to find her cheerful and alert reminiscing about about family. A wonderful memory.*

“ I remember Grandma riding with the family in the car one time and my brother and I were dancing in the car(as much as you can "dance" in a car) to music and we were being silly with her. She was laughing so hard and we had a great time! I remember when she would come over for dinner at our house and we'd tell stories and she'd be always joking with Nick and I. When we would visit her in New Albany, we would always play shuffleboard with her, it was so much fun! When the family would visit her in Florida, I remember my brother and I riding her trike and we thought Grandma was so cool to have a 3 wheeled bike! She will be greatly missed. May she be at peace and in heaven with all family and friends who have passed. I love you, Grandma.

“ Back in 65-66, I was in Vietnam with a machine gun in the jungles of Vietnam

Aunt Janice was my mother's sister

Her husband Carl was a hero to me then, and still is now

He flew combat missions on a bomber in WW II

My base camp in Vietnam was nothing but foxholes, sandbags, and mud

One day a helicopter flew in with mail

There were lots of letters and one 3x3x3 box

My name was on the box

My squad huddled around to see what was in the box

I opened it and there was popcorn!

I took a few and immediately spit them out

It was so stale

Everyone was expecting cookies and cake

So, I went over to the latrine and started to scrape out all the popcorn and noticed a glass

It turned out to be a bottle of Jack Daniels

I yelled hey!

Not popcorn!!

And we enjoyed it

Aunt Janice did this three times and every time a box would get dropped off, everyone yelled, “ hey Grange, is that more of Aunt Janices popcorn?”
