“ *Janice was a great human being. She used to come into the Pizza shop once a week and would always have my son carry the pizza out to the car for her. It became something that he used to look forward to each week (he would have me wake him up if he was sleeping and she came in so that he could do it). It was always a pleasure to talk to her when she came in. We will miss her a lot.*

“ *So sorry for your loss. Janice was a wonderful person. Enjoyed working with her at Sylvania. Bob and I mentioned her many times since our retirement. We enjoyed her and Carl's visits when they came to the house. Our thoughts and prayers are with the family.*
