“ Jean was such a wonderful friend & coworker. She taught me so many things about cooking etc. Sometimes I will be cooking and think of things she said. She would give me many hair cuts during our breaks.

We used to joke how all the kids knew her name so well because always used her name in conversations with them. They children loved her as did all of her coworkers.

I have so many fond memories of her.

Her famous Easter eggs were so delicious, I have her recipe. Somehow mine don't taste as good as hers.

Many thoughts & prayers to her family for the loss of a wonderful lady.
