“ I am so sorry to hear that Jeff has died.
I was thinking of Jeff today while working an estimate with the guy who took over Jeff's territory at Restoration Specialists in The Villages.
I don't know why but I decided to google Jeff to see if I could get in touch. I was floored when I found the news.

I miss working with Jeff and have since he moved from Florida. He was an honest, straightforward, hard working guy. I knew I could always trust what he told me. I thought of him as a friend not just a work contact.

My thoughts and prayers go out to Jeff and his family.

Sincerely,

“ *We were so shocked to hear about your passing. After getting off the phone Mark and I were of course thinking of you. It made us laugh thinking of one memory and I know you know what I am talking about. I know you kept me and Gina from getting in trouble several times when we were teenagers. You we always there for everyone of us back then, and I know you became a amazing father, and husband. We will miss you cuz fly high. You will have to watch out for us now from above. Love you, Paula and Mark.*
