“ There are sooo many memories I have of Jeff. My favorite is weiners and water. He said when he retired he was going to key west and have his own place on the beach and sell weiners and water. I also will never forget the Gwen Stefani song that you would sing Hollaback girl---B-A-N-A-N-A-S! Also your patchouli cologne. You are missed. RIP! Love Lillian

“ I was a friend of Jeff's at the gym for many years and my husband worked for him at Bradley's for a short time in 1984 before we even met. Both of us agree he was a genuine, kind, caring and funny man. I don't know anyone who didn't think very fondly of Jeff. He was they type of person you were always happy to know. We both consider ourselves lucky to have known him and would like you to know we are grieving with your all. Please accept our condolences. Heather and Scott Jovanelli - Bristol, NY

“ To Jeff's family---I feel like I lost my brother. Jeff and I have worked together at BB&B since 2002. My heart is broken--as I'm sure yours are too. Please know that he was LOVED and adored by MANY, down here in Florida. He made an impact on so many of us. No one could meet Jeff and NOT feel a connection with him. There is still so much I want to say to him...and so many things I want to hear from him. He had a spiritual soul like no one I've ever met. I sent my love and blessings to you all. Thank you for sharing him with us...his time was too short. For all of us.
