“ Teresa, I am so sorry for your loss of Jeff. When I worked at NTRPDC, he was always there to help out, share a story or a joke and flash that smile when joking around. I still have a couple of frames he made for me. Thoughts and prayers to you and the family

“ I am so sorry for your loss - Theresa and families. You are in my thoughts and prayers. I know you'll have many warm memories of your time together . I won't be down to funeral home because of the parking since I can't walk well on hills. But will be thinking of you all thru out the days ahead. My prayers are with you all.
