“ Words can not express what wonderful person she is. My sister spent a lot of time with this family growing up and as the little sister I tagged along. From allowing us to have have haunted houses in the basement, stuffing her son in the laundry shoot, and her kitchen always filled with the aroma of some Italian goodness, she had a heart of gold.. It didn't seem to matter how many years had passed since I had seen her last, she alway had a hug and a smile to fill my heart and a story of an adventure she had taken with her children and grand daughter. You will be missed Jill.

I've only know Jill for 12 years - since my brother Art started dating Rosannette, but she will always be dear to my heart. She was a strong, loving and very happy person who always saw the good in things. She was a wonderful mother and grandmother. My grandsons and I will miss her warm, tender heart. Rest In Peace my friend. Felicia
