“ So sorry to hear of Joanne's passing. I worked with Joanne at Memorial Hospital then later would run into the "gang" enjoying breakfast or lunch somewhere and she always remembered me with a smile. She was the most positive person and I loved being around her. She will be missed.

“ I will miss Joanne every single day I go to work, her warm smile made my work day much easier. Holiday times will never be the same, she was the inspiration that motivated all of us. Good times of bad she was always there to say chop chop let's go. I am so thankful the good Lord saved her from the virus ,she would have suffered but instead she went to sleep peacefully. God bless you my friend and inspiration.

“ I've known Joanne for nearly 4 years with my time at Sayre PCC, she was the best part of every day I spent there. Never a second she didn't put a smile on my face, I'll keep every cat birthday card close to my heart. Every conversation, all of it. Thank you for the memories Jojo, thank you for being a little piece of my life and heart forever. I'll miss you dearly.

“ My Grandma Mckernan used to work with Joanne at the Memorial Hospital and this is when I first met Joanne. She was so nice! Of course she took many xrays of me and my children! I worked at a local greenhouse and Joanne and Marie would come over every year to buy flowers. Her joy was contagious. In the last years I would visit a resident at the personnel home and would visit with Joanne at the same time. I've enjoyed seeing all the pictures they have posted on facebook . Joanne always had a smile on her face. Please accept my condolences for such a great lady.

Joanne worked in X-ray throughout the 30 years that I served on the Medical Staff. During that period, I got to introduce her to 4 Hospital Presidents as "the Hospital's most valuable employee". She was a joy to work with. Jim Noone
