So sorry for your loss. I remember Joaquina from the B&L. She was always smiling and a great person to know. My Mom Betty owned the B&L.

“ I never got to say goodbye, but I know I will see you again...I know you are no longer suffering and in a better place with our Father, but I will miss you forever. We became sisters many years ago, and there is a special place in my heart where you will always be, we have been thick and thin together through our years, and we were always there for each other and our children, I am so happy to have so many memories of our lives. I am so sorry for your loss Billie Jo, Mike, and Stashia. May GOD guide you through your sorrow and pain, Emery, I am so sorry for your loss also, the love you shared will always be remembered. She was happy. To all her grandchildren, I pray you will always remember she loved each one of you and spoke of you often. Please take care and GOD BLESS you all. I love you Joaquina infinity....until we meet again, be our angel and guide over all that loved and will miss you as much as I do.

“ I met Joaquina in the early 80's when she was about 23 years old. She impressed me right away as being very strong and she was so beautiful. She was just a petite girl but she didn't take any crap. "To be absent from the body is to be present with the Lord." 2 Cor. 5:8
