“ Penny, I was so shocked to read his name on our prayer request list this sunday. I'm so very sorry to hear this. Rachel and I would most definitely be there Saturday if it wasn't that it was the day of her first ever basketball game and it's away in mansfield. I don't believe we'll be back in time. But just know that we will be thinking about you all day. And we most definitely would have been there if we could have been. She's going to be writing you a letter so please look for it in the mail.

“ Jordan, you are my son for a brief time. And I know you're a good friend of christine's. I am so very sorry to hear about your father. I lost mine when I was young too so I know your pain. Please know if I could be there Saturday I would. But my middle child has her first ever basketball game in Mansfield that day and I know we will not be back. I will be with you in my heart and thinking about you the entire day.

I am so sorry to read of John's passing. We weren't able to make it up to the funeral today, but I have so many wonderful memories of John at soccer and basketball games during the years you boys were at NRCS. Please remember how much he loved all of you and how proud he was of you. Penny, it was a delight to know that God brought the two of you together and your love for each other and for the Lord. My prayers for all of you in losing a wonderful husband and father.
