“ I just learned of Joyce's passing. My sincere condolences to you Robert, and to your entire family. Your mother was indeed a special person. As an election poll watcher I had the pleasure of seeing her each spring and fall. We'd talk about the old days and she always told me what you were doing. Your mom and dad are proud of you, always have been and always will be. May your mom and dad rest in the arms of the Lord forever.
