“ You know the kind of friend you don't always see or keep in touch but when you do your friendship picks right up where you left off. That is the friendship that Judy and I have. Judy was the first one at my father's house when he passed to ask if I needed anything and if I did she would be there. Judy was always a giving person so much so that she would go without to give to others. I will miss your laugh and positive nature. To Robert, Gary, Donna, Duane, Kenny, Julie, Karen and all the rest of her family and friends... My thoughts and prayers are with you. May God hold you deep in the palm of his hands during your grieving.

“ Yheres so much in my heart to say, but the words just arent enough. I know she was met by much family to walk her to heaven, I just hope she sees how she taught us "heaven" was being around her. For she already was an Angel her whole time on earth. Im going to miss the most beautiful person that ever entered my life. Prayers to family and friends.
