“ *I was saddened to read that Judy had passed away. She was a patient of mine for many years when I was at Guthrie. I remember that she was a very soft spoken, pleasant, non-complaining young lady whom I always enjoyed seeing. My prayers are for her and her family. Dr. Bob Michaels*

“ Mark & Family,

I send my love, prayers, and deepest sympathy to you. I was saddened to receive the call that Judy had passed. Judy and I shared many of our life's journeys over many phone conversations. It was a pleasure to know her through Dispatching. She was always a bright spot in my day! Please know you are in my thoughts. Cherish the memories and the wonderful relationship you had. She was a strong Lady that cherished her family and I know she will surely be missed.

Love,
Sherri Ann (Todd & Sammie Too!)

“ Judy, I will truly miss you! I am so glad we found each other through our thirst of finding out all we can about our family. We did that by finding we were looking for the same people on genealogy sites. I hope I helped you in the knowledge you sought and thank you for helping me in mine. I wish that we had gotten to talk on the phone as we had planned but unfortunately all of our health problems seemed to keep us from it. I am glad that you no longer suffer. I know that you are in a better place with all of the ones who have went before you that you love and now will have the answers we searched for. You were a very kind and loving person and I am proud that we are and always will be family. All who knew you will miss you dearly and we all thank God for you being in our lives. May you rest in peace.
