“ We here are so sorry to hear the news, and send our sympathy to Julie, and all the DePumpo family, and of course, all the grandkids, and in-laws in this great loss. The last time I got to visit with her was at Bill and Julie's home in DC when she and Julie's dad also happened to be visiting. She was so positive, uplifting and so nice to be in her company. She just made you feel relaxed and good in her presence. She left me with a wonderful impression of why Julie and all her siblings are so nice when I got to see what wonderful mom, and dad they were raised from.

You all are in our prayers, and hope with time memories of better times together will be of comfort to you all. Sending you hugs.

love,  
Niki, John, Lori and Melissa
