“ My heart is heavy hearing of the passing of such a beautiful soul. My my memories with her will always be renewed by keeping those close to my heart. She always came to see me everyday and I have such great memories of her never wanting to go home and mom would tell her by 10 pm. I used to tell her someday you will understand when your a mom. She was funny made the best macaroni and cheese and a hoot to hang with. She could teach anyone the only way to be a friend is by being one. And that she was. Her willingness to help others was a gift to others. She will always be in my memories as a beautiful person with a beautiful sou! There are some that bring a light so great to the world that even after they are gone the light remains. That is Julie! I ❤️ you Julie and will forever be in my heart and greatest memories of what friendship is. Fly high and we will meet again!
