“ As I reflect on the time I've known Kay I think of a woman with tremendous strength, creativity, wit and compassion. Kay was one of the most intelligent women I have ever met. She was like a sponge soaking up every bit of information and detail she could. Kay clearly loved her husband and family. When we spent a day working together they were always part of her chit chat, always upbeat and endearing for those she held close.

So sad to be bidding farewell so soon.

I owe so much to that beautiful wonderful lady, Kay Mooney. She was a best friend in college and introduced me to my husband, Rob. She was a rock of confidence, hilariously funny and reliable - a true friend. The world has lost heavily this time. My heart is saddened.

“ *Kathy is the reason why I got to meet my husband of now 51 years. She was only about 15 months old when I first saw her. She has always been special in our lives. Though we have not seen much of each other over the years, our memories are now all we have. Our thoughts and prayers go out to the family. Richard and Betty Pennabaker (uncle and aunt)*

“ Kay was the kind of woman who enjoyed life to the fullest and loved to share her joy with others. She was the best sister anyone could ask for and often was the source of wise counsel when needed most. I will miss her every day for the rest of my life. I know that she and our Mom are together and we will all someday be together. I was so proud of all that she accomplished. When she wanted something nothing got in her way. Paul, you have our deepest sympathy and love. If there is anything we can ever do please let us know. With much love, Teri, Craig, Eric and Bob
