“ Gordon, Bonnie and family, I am deeply saddened to hear of Kay's passing, she help such a special place in my heart, I remember every detail of your home and many days and nights i spent there, I remember the taste of the tomato soup she used to make me and every time i make it the way she used to i expect to have it taste the same but it never does, she once told me " honey, its not how the soup was made, it was the love and memories you remember" I will forever have those memories of Kay and your family, you will always have a special place in my heart...

“ Gordon, Bonnie and Family, Jack and Pat, and Phyllis:
My sympathy to you all as you come to celebrate the life of a fantastic woman. Kay was such a humble person. She was so loved by Gordon for so many years and my heart goes out to you Gordon and to Bonnie and your family you were there all the way and your mom, grandma appreciated all you did to comfort her. I am not sure I can make it to the service with the weather but I will be there in spirit. God Bless You All.
Love you. Tucker
