“ I'm still in shock and I am so sad that your gone. You were such a wonderful Daddy to our daughter Khloey and I promise you that I'll always be there for our daughter and I promise you that I'll never let your memory go away and I know that you'll always be Khloey's Angel 😊 I'll always love you we have been friends since we were 12 years old and we were together and married for over 12 years and even though we divorced we were still best friends and we co parented so well for our bug. I just wish I could open my eyes and that this be all a nightmare but it's not and I know I have to be strong for Khloey. Rest in Peace 🙏
