“ Kevin, I'll always be grateful for the way you welcomed me into your home, and how you always called me "Bro." You didn't have to do that, but you did. I was "family" from the day we met. I'll always remember tramping through the woods in Late November, looking for a deer that always seemed to be over the next horizon. The last time I saw you, you gave me a hat that said "Team Elliot," and said "I want you to have this, because you're part of the team too."

I'll always treasure the hat, as I'll treasure the memories spent with you.

Thank you for everything.
