“ *Michelle, There's not enough candles to lite for you. 20 years ago today we met you not knowing you would give us the most precious, beautiful grandchildren anybody could ask for. Brandon growing into a youngman so handsome and caring for his sister and brother. Brion so smart, whity and polite. Taylor what a perfect example of her mother beautiful, respectable, we are blessed. We will take care of these children till the day we see you again and that's a promise. They are our heart and soul. You may be gone but not forgotten. You will be proud of your children. You may rest now your children are safe... LOVE GRANDPA RUSS & GRANDMA DEBBIE.*

I too remember the day, vividly, that I met Michelle, coming all the way from Texas into a family, so loving and kind. She always had such an infectious smile and laugh. She will be missed by all that had the courtesy of meeting her
