“ We are really going to miss you Leo. I really enjoyed talking to you about history and our trips to the gem and mineral shows and the fairs we went to together. I'm glad we got to do those things together❤️ our time spent on the porch was enjoyable too. Izzy wishes she could have done more with you but time was too short. You were loved

“ My Condolences to the Henley family! In my 31 years of being “Chuck’s” neighbor. I never knew he had all these children, Sorry for your loss! BUT to the 2 boys that I’ve known across the road for 31 years Robert who I call “CHARLEY “ and Eric who I always thought was the spitting image of his dad, my thoughts and prayers are with you guys! Take care of each other it’s important!!! Oh Chuck, I have lots of memories, some good stories, some intense moments, some funny moments, but at the end of your story now you were a good neighbor to us you were always good to our kids! So Rest In Peace on that History channel !!

“ *Leo and Dinah decided to surprise visit us one day. Little did he know he picked the neighborhood garage sale day, what traffic! He always made sure to call ahead after that. He has always been there for us and the kids throughout the years, such as coming up for school events or just visiting. Of course the kids always loved a good cannon firing as well. He will be dearly missed by all. We love you (grandpa) Leo.*
