“ *To the Benjamin Family;*

Benny had always been a good friend at auctions; He was a face and voice I was happy to hear and see; but his presence was never more so appreciated when he did the stone for our son's grave.

He made a very sad time happy for us with his stories and light humor. He had a gift that could lift a sad heart.

May your hearts be lifted with the memory of this special man and the knowledge that there are others who will miss him too..

With Sympathy; Howard and Carol Visscher
