“ I loved my sister Lillian very much and we have had some great memories in the past. I know she has had lots of pain and now she is with the lord in heaven and doesn't have to worry about pain anymore. She will be greatly missed by all but I know she is going to be with the lord. Some day in the future we will have a chance to be reunited again. God bless you little sister love your big brother Gene.

John 14:1-4: "Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going."

Every minute since he

There'll be only happy tears

“ *I have sat here for over an hour, looking at this screen, in an attempt to find the words to express the feelings I'm carrying inside. The words to comfort those needing it most at this time. My mind continually returns to just two simple words... The very first two words to come to mind when reflecting on the wisdom this very strong woman shared with me in her time among us... Oreos & Milk!!!*

“ *Through many years, bruised knees and tears,
The pillow fights, and long hard nights,
The memories are so clear;
Dress-up times, and childhood rhymes,
and love through thick and thin.
You're sorely missed, soon our last kiss,
I Love You Sis, until we meet again.*
