“ *Sincere sympathy to Linda's family. We grew up from kindergarten to graduation even getting our first apartment together. I will always treasure our childhood memories and the book of angels she sent me after my husbands death. Rest In Peace Dear Friend. .*

“ I am with heavy heart and tears in my eyes learning of Linda's passing. Linda and I were great friends growing up. Spent many Friday nights having sleep overs, playing games and music. There are so many things we did together growing up. I'll never forget when your family took me to Florida. I had the best time of my life. I am sadden we never got together after HS, as many of us do, we go in different directions. Sally and Bob I am sending you many hugs and prayers. Love Theresa Bahl-Bacon
