“ So sorry for your family's loss, I'm so sad, we were great friends 30 years ago, we were remembering and talking about all the crazy, good times back then, alot of nights out dancing and drinking, having fun. We were just getting to know each other again. Just 3 weeks ago we were laughing, drinking, and dancing, reminiscing about the stuff we did back then. Beautiful, kind Lisa, you will be sadly missed. But you will be remembered always.
