“ Lisa was such a good person inside and out. Great sense of humor and always kind. She is the only one I wanted to do my hair. She was so gifted. She was an easy person to talk to and a great listener. She invited me to her home and we had such a good time talking and laughing. She will never know how many lives she touched and enriched. She did mine. My thoughts prayers go out to her family who she adored and talk often about the last happenings. She loved her kids. I have missed her so much. She was a good friend. I have prayed for Lisa and I will pray for her family at this very difficult time. God Bless to her family. Love Dee Smith.

“ *Please accept my sincere condolences. Lisa was my dear friend and her passing leaves a void. She was not just my hairdresser but my friend. I will miss our long talks of the kids, the lake, our families. She loved all of you fiercely!! She is gone too soon. I will grieve my friends the rest of my life. She is now in God's arms until we meet again.*
