“ *My condolences. Such a tragedy and huge loss. I wish your baby boy had survived just as I wish my sister, Sarah and brother-in-law Clifton did. Three wonderful people that will be forever missed and loved. I pray for you and your family. I'm so sorry you lost your child.*

I thought of you today but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence. I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake from which i'll never part. God has you in his arms. I have you in my heart!
