“ *my most sincere condolences. I know the grief you must feel may seem as though it may never truly leave you. But please know that God promises each and every one of us that if we draw close to Him then he will draw close to us - James 4:8. So feel free to approach God in prayer. He is always there to give us true and lasting comfort when we need it the very most.*

“ I always looked forward to seeing your Mom and Dad walk into Perkins, they made each one of us smile and each time they came in they exuded a loving pride in their children. May they rejoice in their reunion and may you all find peace in the love they had(have) for you. Along with my family, I send my sympathies and wishes of sweet memories...with love, Bobbi Torres
